Presidents Report to all

Before asking Bill Mair to say grace I would like you all to stand for a minutes silence for absent friends with a special mention for Les Inskip who gave many years service to both the county and our league and to Ian Shaw who was county rules chairman and chairman of the county juniors.

I would like to thank all of the Players Caddies and Supporters who have made this season a massive success in what has been the worst I can remember weather wise (I remember saying this last year). As you know the Executive Committee visited every Club in our League and we witnessed some amazing golf, sportsmanship and camaraderie which make our League very Special and I thank you all on your hospitality

I would like to congratulate all the Captains who included Juniors into your teams with great success as we will see later when we present Roan Smith with the Third Division Order of Merit

I would like to congratulate in advance all of the teams and individuals who will be receiving awards at this presentation
